Can I afford it? Here are some facts to consider:

- ❖ All US Ph.D. students receive a \$27,000/yr assistantship with paid tuition and fees
- ❖ Health insurance at no cost, with optional low-cost dental, vision, and dependent plans available
- ❖ Free student wellness clinic
- ❖ 21<sup>st</sup> century biomedical research career preparation
- ❖ Numerous scholarships and awards opportunities
- ❖ Inexpensive cost of living
- ❖ On-campus financial aid office with individualized service and low-cost supplemental loans available
- ❖ Graduation time is under the national average
