Certificate Track Completing:

- Advanced Biomedical Research Strategies**
- Translational Research Team Management**
- Advanced Academic Management**
- Effective Teaching and Mentoring**
- Bioinformatics & Systems Biology**
- Patient Centered Outcomes Research**
- Translational Burns Research**

I reviewed my unofficial transcript and confirmed that I completed the required courses and at least one of the prescribed electives, as listed in the table of GSBS Postdoctoral Certificates at http://gsbs.utmb.edu/_pdf/postdocs/CertificateList.pdf, for the certificate I am requesting. A copy of my unofficial transcript is attached or enclosed. To link to an unofficial transcript request, go to MyStar (<https://mystar.utmb.edu>), Student Center, Other Academics dropdown, Unofficial Transcript, View Report.

I understand that an evaluation of my competence for the certificate is required. This consists of brief essay questions to be completed in advance and multiple-choice questions to be completed in the Office of Postdoctoral Affairs or the Graduate School, to be scheduled at my convenience.

I will deliver the documents listed in the Checklist for Postdoctoral Certificate at http://gsbs.utmb.edu/_pdf/ChecklistForCertificate.pdf to the Office of Postdoctoral Affairs, 3.316 Levin Hall, or Graduate School, 4.429 Levin Hall. After review and approval, the postdoc office will request the certificate from Enrollment Services. It will be available within about 30 days of the end of the current term.
