REPORT OF FINAL ORAL EXAMINATION

Date: _____

We, the undersigned, as the Supervisory Committee in charge of the work of _____, for the Doctor of Philosophy Degree, report that we have examined this student on his/her dissertation, the general field of the dissertation, and the following other parts of his/her program.

The student named above has:

1. completed the work assigned by the Committee.
2. passed all examinations required by the program, including the final oral.
3. completed a dissertation which gives evidence of ability to do independent investigation in the major field, and itself constitutes a contribution to knowledge.
4. prepared for publication in DISSERTATION ABSTRACTS as abstract which meets the approval of the Committee.

We recommend that this student be granted the Doctor of Philosophy Degree.
